

GOT AN ISSUE?

OUR CLUB TAKES BOTH ON AND OFF FIELD ISSUES SERIOUSLY

We don't ignore member concerns

- Issues relating to the team should be directed to the coach or team manager in the first instance
- We understand this is not always possible – you can also contact the club reps and organisations listed below

In responding to concerns we will:

- Act quickly
- Treat both sides fairly
- Maintain confidentiality wherever possible (sometimes this isn't possible – for example, if there are concerns about a child's safety)
- Treat any sign of victimisation seriously
